CASSANDRA Y. DUFFEY

Administrator

January 27, 2021

Dear Neighbor,

Collingswood, working together with Camden County officials, has **established a free hotline to assist seniors registering for the COVID-19 vaccine**. As you may know, vaccine appointments in Camden County are currently available through an online registration form. We understand that this can be difficult to navigate and have dedicated Borough staff to help seniors that need assistance with vaccine registration.

Our representative can enter your information into the online form and create your vaccination appointment through the My Cooper registration site. You only need to call in. Due to COVID restrictions, no walk-in appointments are available for registration assistance.

Assistance is available Monday-Friday from 9:00am – 4:30pm by calling Collingswood Community Center Director Madalyn Deets at 856-854-4440. Please be prepared to provide the following information for registration:

- Full name
- Address
- Birth date
- Social security number
- Insurance/Medicare information

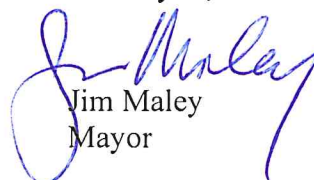

The Borough is also setting up transportation to vaccine appointments for those that need it. If you can drive or have someone that can drive you to your appointment, please use those means of transportation. At this time, we are gathering information to set up transportation assistance. Vaccinations are administered at Camden County College, Blackwood, NJ.

For assistance, you can also call:

- State vaccination hotline at 855-568-0545
- Camden County Division of Senior and Disabled Services at 1-877-222-3737 or 856-858-3317

Please feel free to share this information with any Collingswood seniors that need assistance.

Thank you,

Jim Maley
Mayor
